Ana é apaixonada por futebol. Os meninos, porém, não deixam a garota entrar no time de jeito nenhum. Ela pode, no máximo, apitar o jogo. Mas o inesperado acontece e Ana acaba substituindo um jogador no time. Para saber o final dessa história é só começar a leitura. Boa diversão!

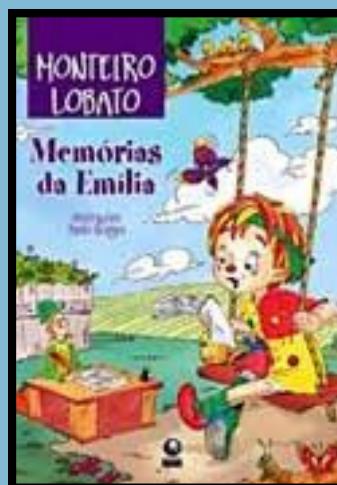

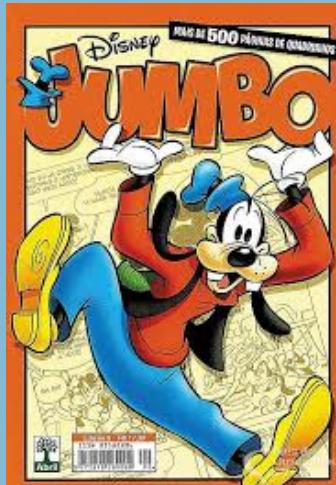

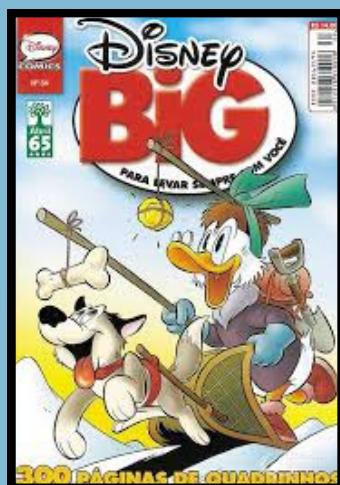

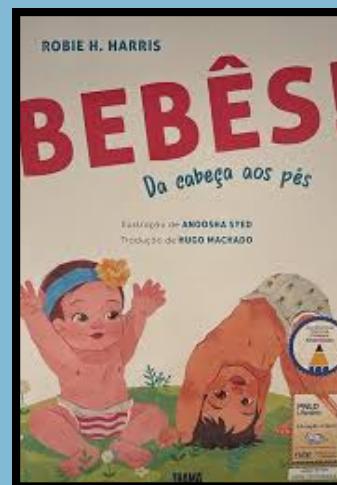

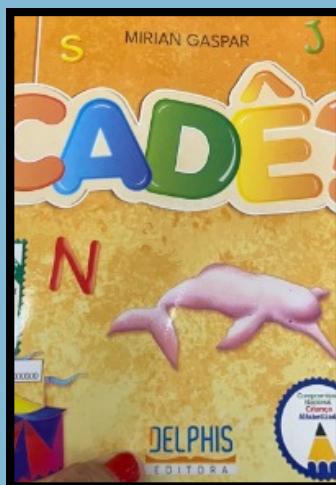

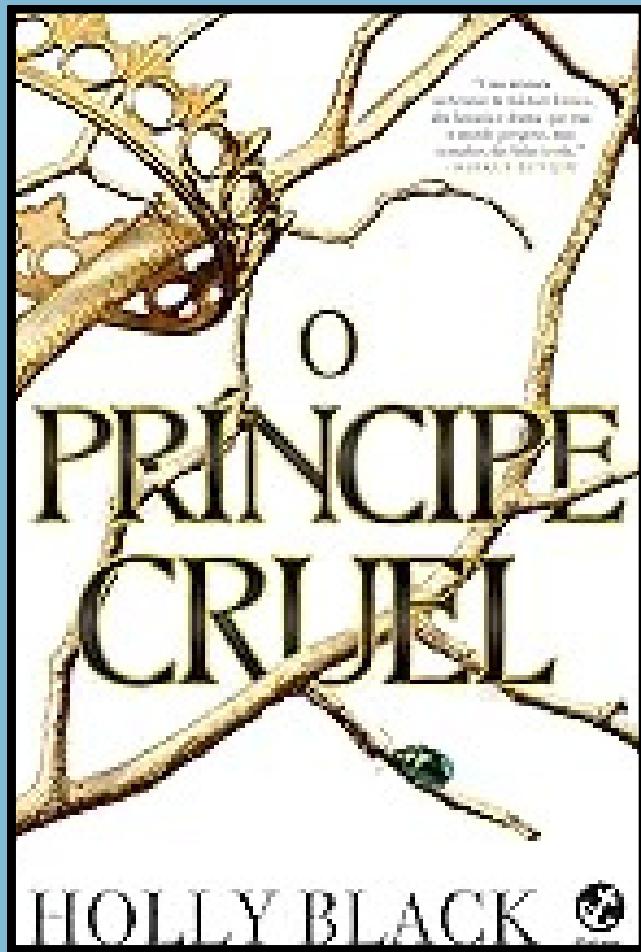

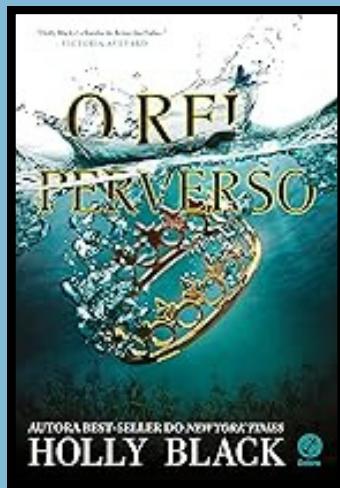

Poderia ser só mais um dia comum na selva, se não fosse uma voz misteriosa dizendo aos animais que eles devem fugir se não quiserem ser pegos.

O sapo não deverá ter dificuldades em se esconder – afinal, ele é pequenino, e as árvores são grandes. Mas e quanto ao avestruz, ao jacaré, ao elefante??? Será que vão conseguir escapar do dono da voz? E, afinal, quem é esse “dono da voz”? Você consegue adivinhar de quem todos os animais estão fugindo desesperadamente?

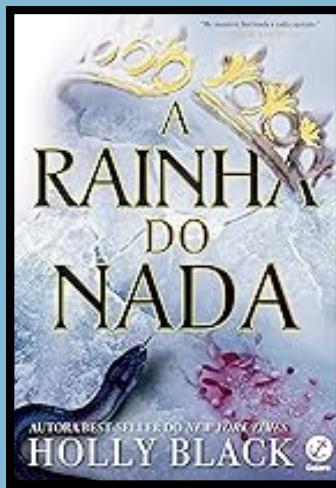

O Príncipe Cruel conta a história de Jude, uma mortal levada ao traiçoeiro Reino das Fadas após o assassinato de seus pais, que anseia por pertencer a esse mundo mágico, mas é desprezada pelos feéricos, especialmente pelo cruel Príncipe Cardan, levando-a a se envolver em intrigas palacianas e perigosas tramas de poder para sobreviver e conquistar seu lugar na Corte.

Conta a história de Alex Claremont-Diaz, o filho da Presidente dos EUA, e o Príncipe Henry da Inglaterra, que se detestam, mas são forçados a fingir uma amizade para evitar uma crise diplomática após uma briga em um casamento real. O que começa como uma farsa se transforma em um romance secreto, com o casal enfrentando os desafios de suas posições, a pressão política e a descoberta de seus sentimentos.

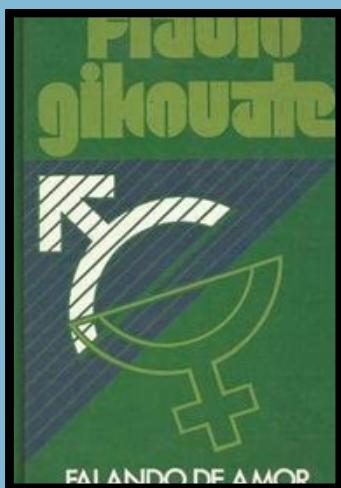

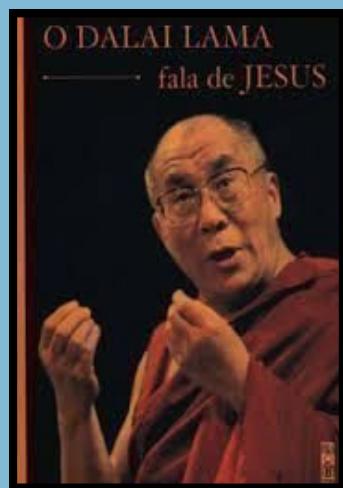

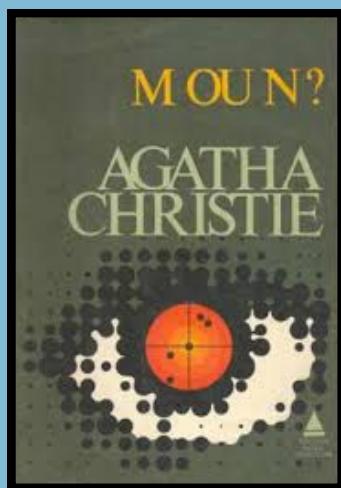

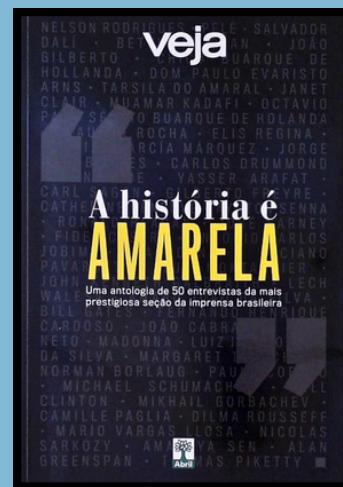

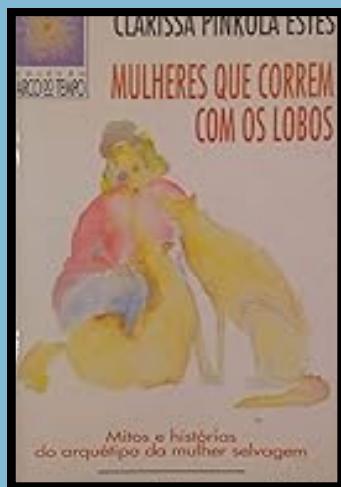

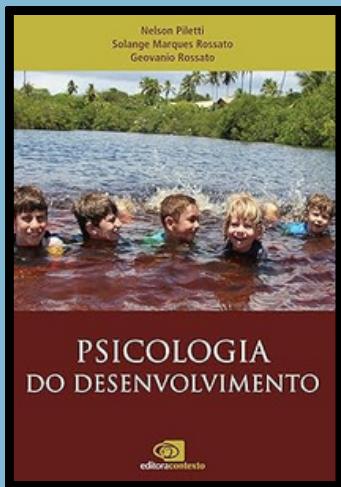

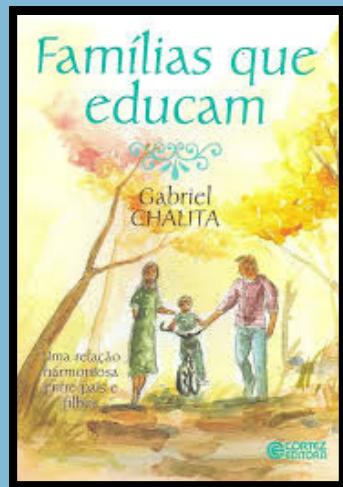

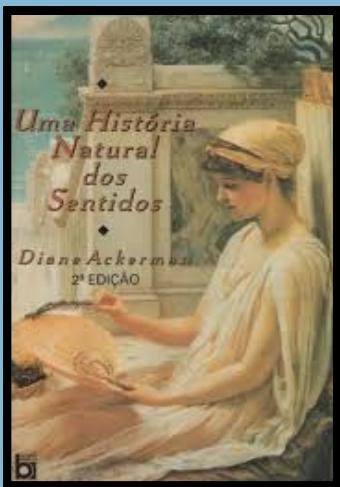

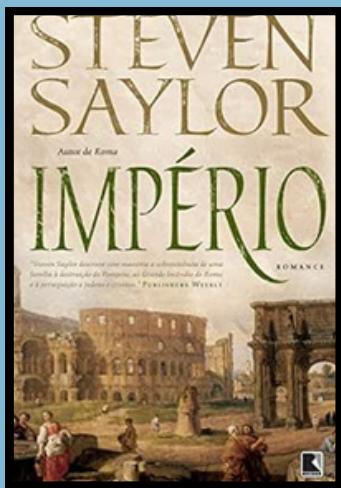

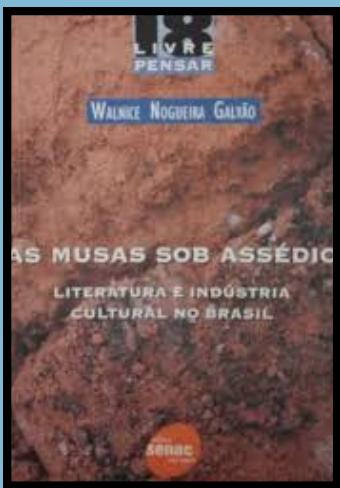

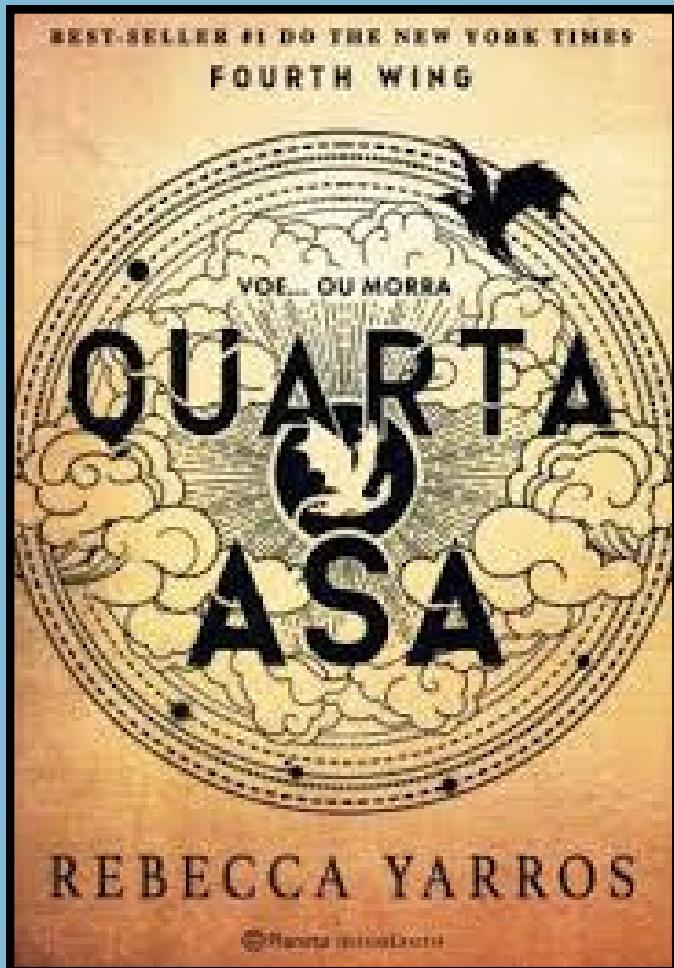

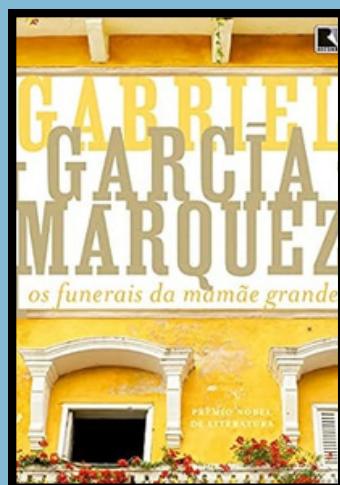

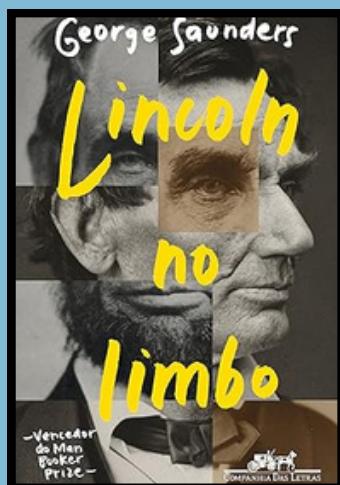

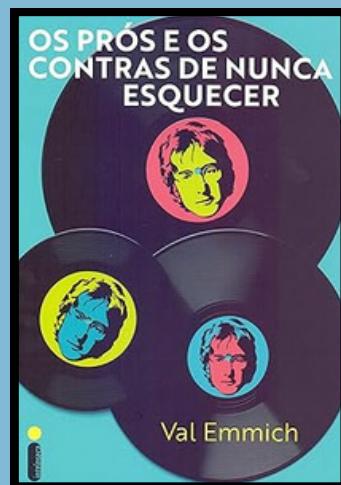

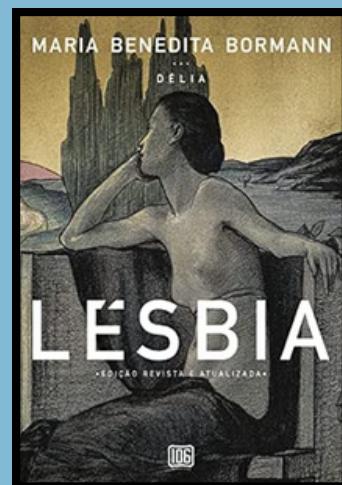

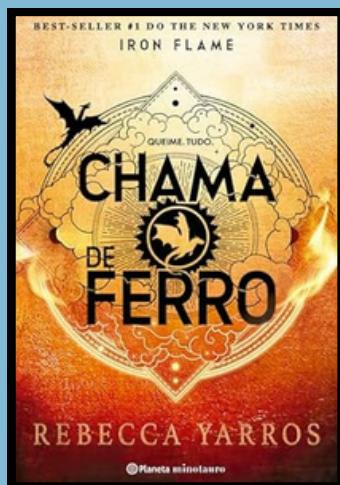

A história segue Scarlett Vandermeer, uma atleta de saltos ornamentais focada na recuperação de uma lesão e nos estudos para medicina, e Lukas Blomqvist, um nadador campeão e capitão da equipe da universidade.

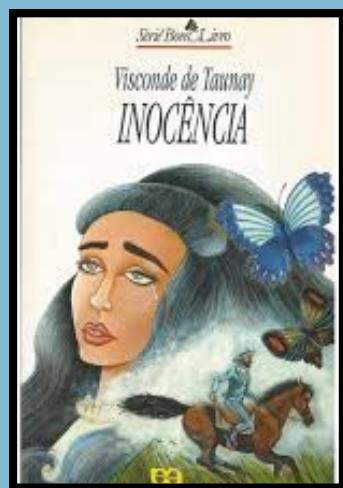

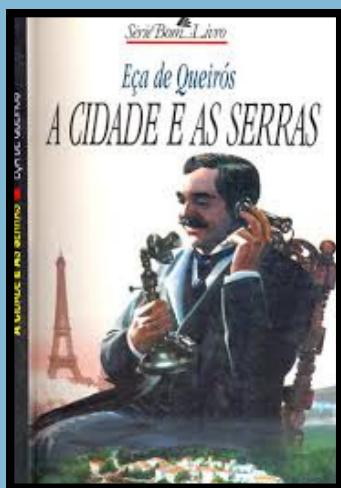

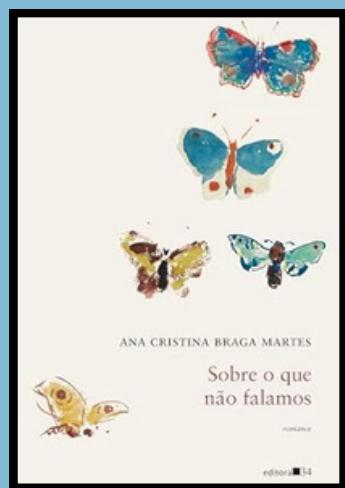

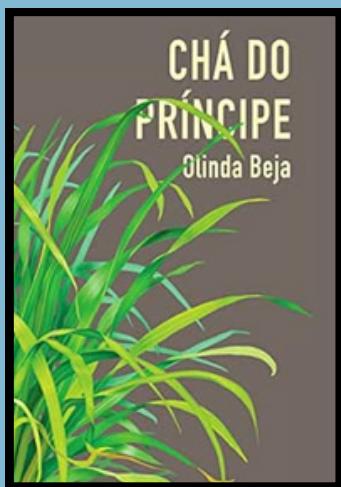

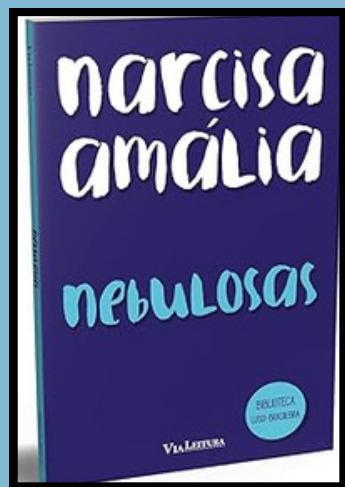

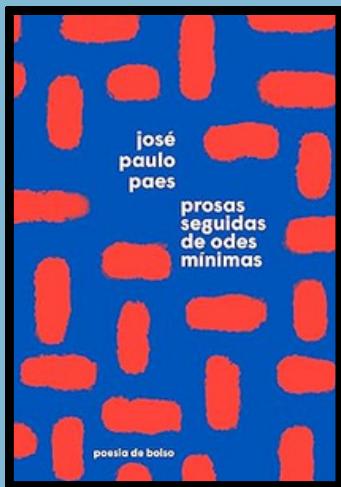

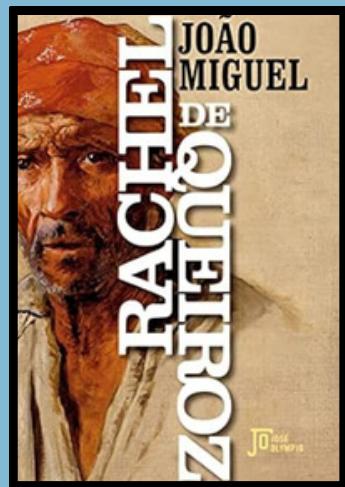

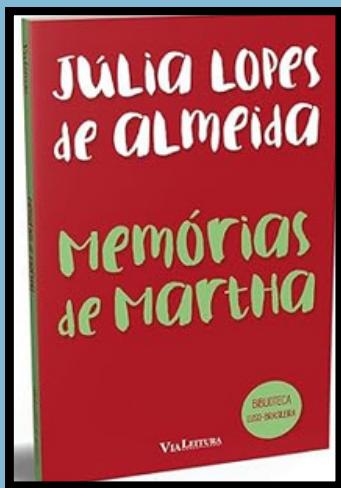

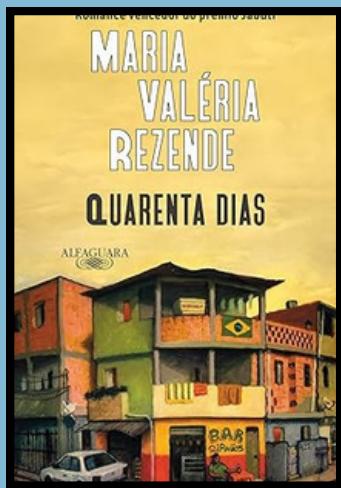

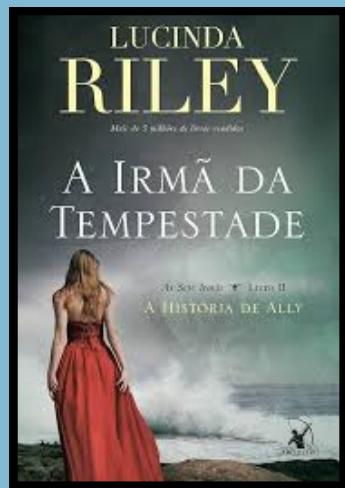

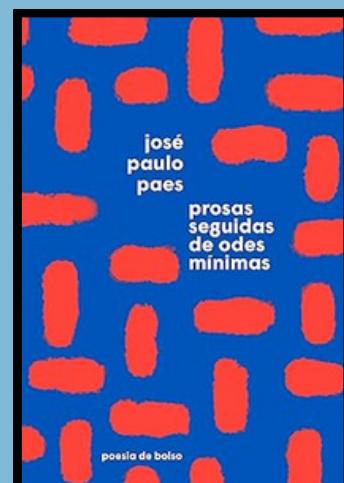

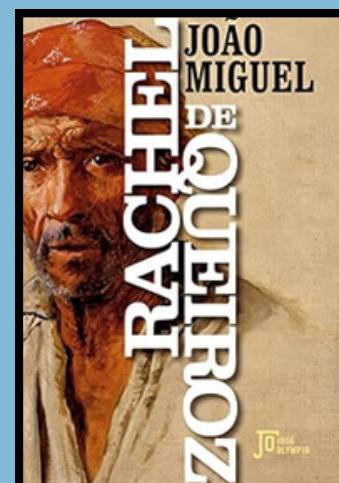

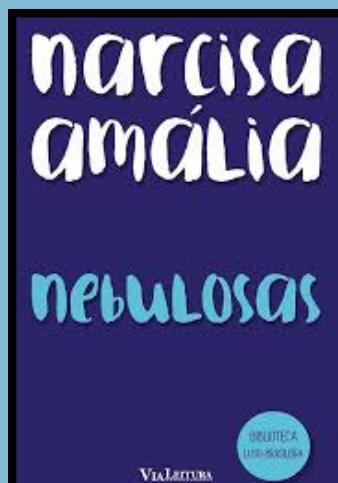

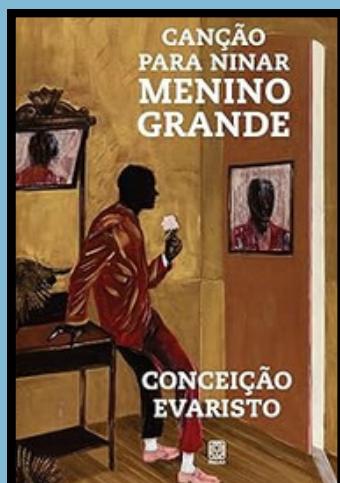

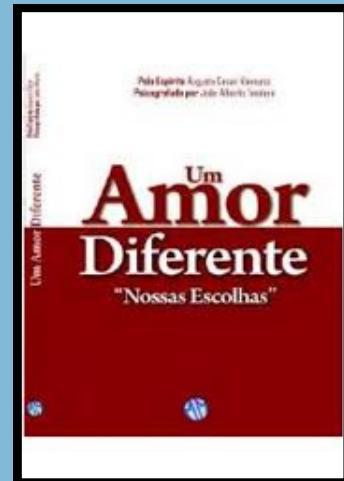

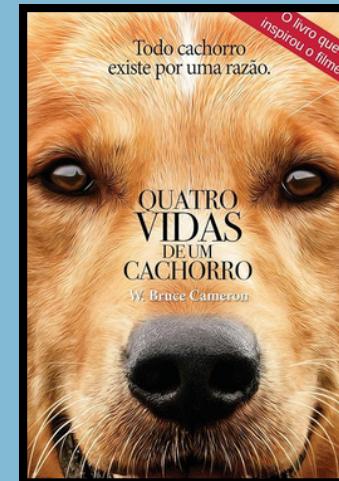

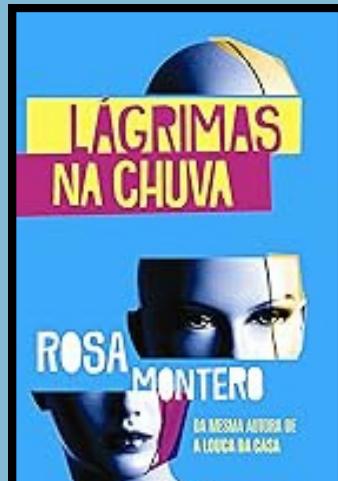

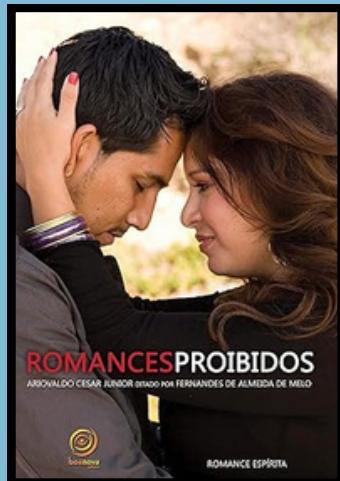

Conta a história de Violet Sorrengail, uma jovem frágil que é forçada por sua mãe, uma general, a ingressar na Academia Militar Basgiath para se tornar uma cavaleira de dragões, um lugar onde a maioria dos cadetes morre tentando sobreviver ou são mortos por rivais, incluindo o temido Xaden Riorson, um rebelde com motivos para odiá-la; ela precisa usar sua inteligência para navegar perigos, forjar alianças improváveis e descobrir segredos sobre uma guerra iminente, tudo enquanto lida com um romance proibido e a busca por um dragão que a escolha

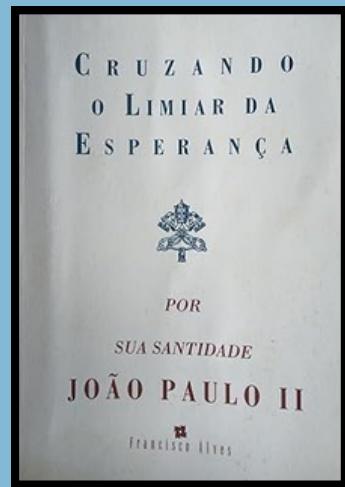

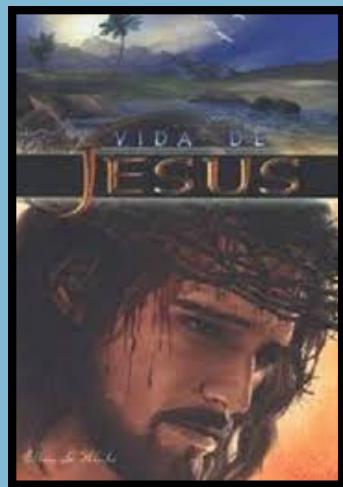

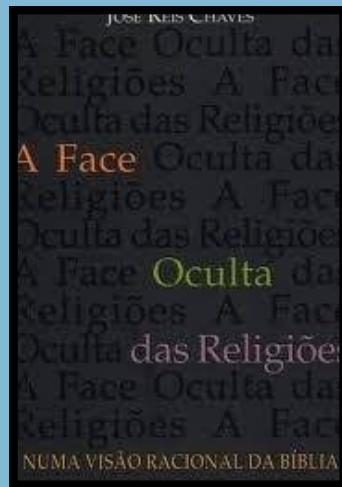

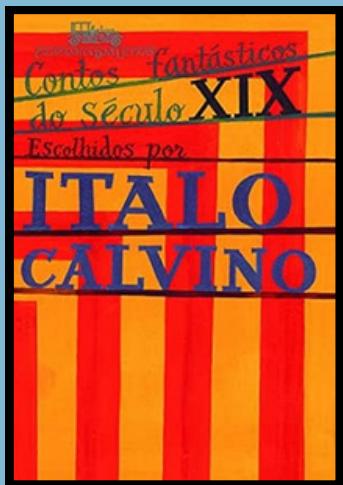

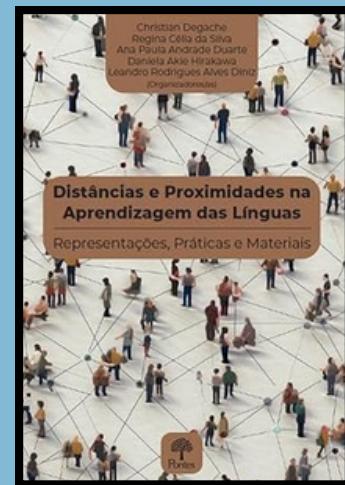

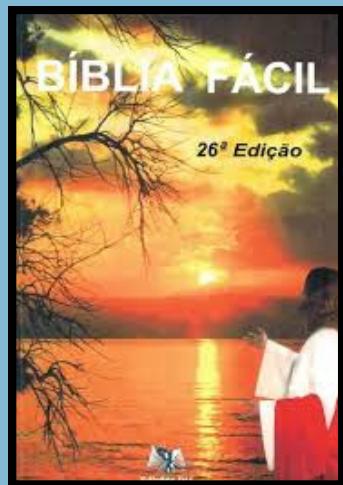

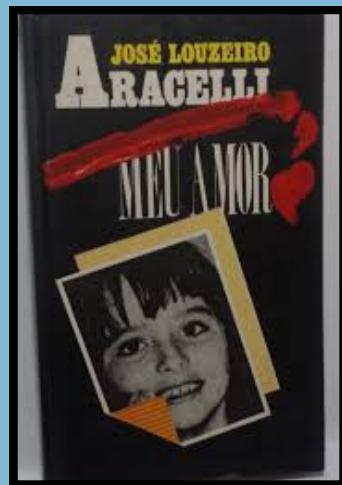

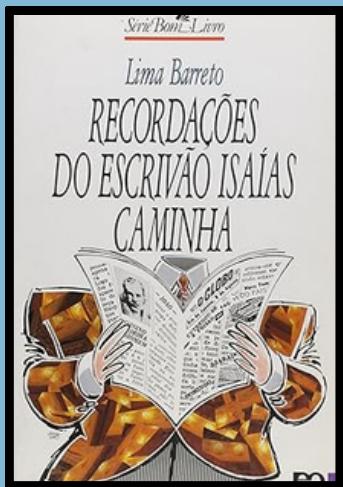

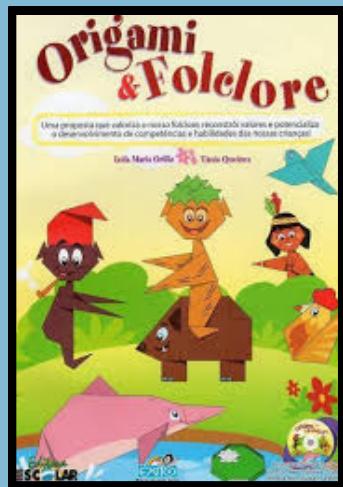

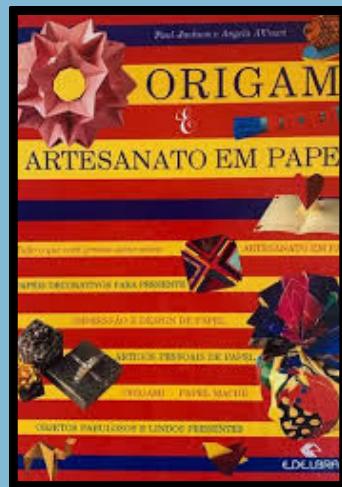

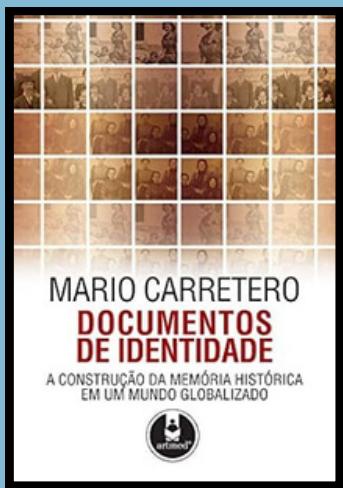

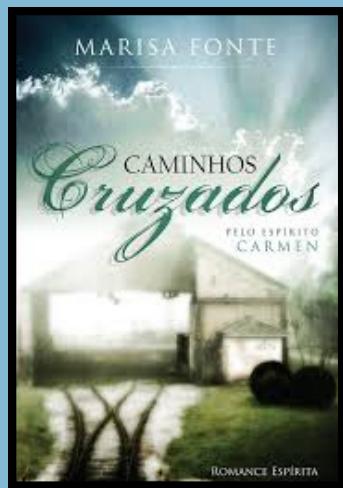

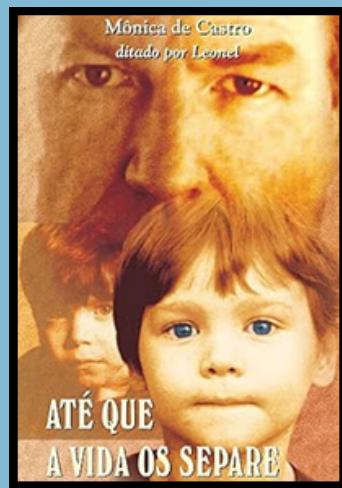

Acompanha a jornalista Joanna Haslam, que, ao cobrir o funeral de um famoso ator, descobre uma carta misteriosa deixada por ele, contendo um segredo de décadas que pode abalar a realeza britânica e envolver o serviço secreto, levando-a a uma perigosa investigação cheia de intrigas, romance e suspense para desvendar a verdade antes que forças poderosas a impeçam.
