Capitão Haddock, professor Girassol e Tintim recebem uma informação inacreditável: a célebre cantora Bianca Castafiore, em turnê pela América do Sul, foi presa em San Teodoro, acusada de participar de um complô contra o regime do general Tapioca! Maior é a surpresa de nossos amigos ao saber que eles também são acusados de participar da trama. O capitão e o professor Girassol decidem ir a San Teodoro esclarecer o assunto. Mas Tintim, pressentindo uma armadilha do tenebroso Tapioca, se recusa a viajar com eles. Será que Tintim vai mesmo deixar os dois enfrentarem sozinhos o general?

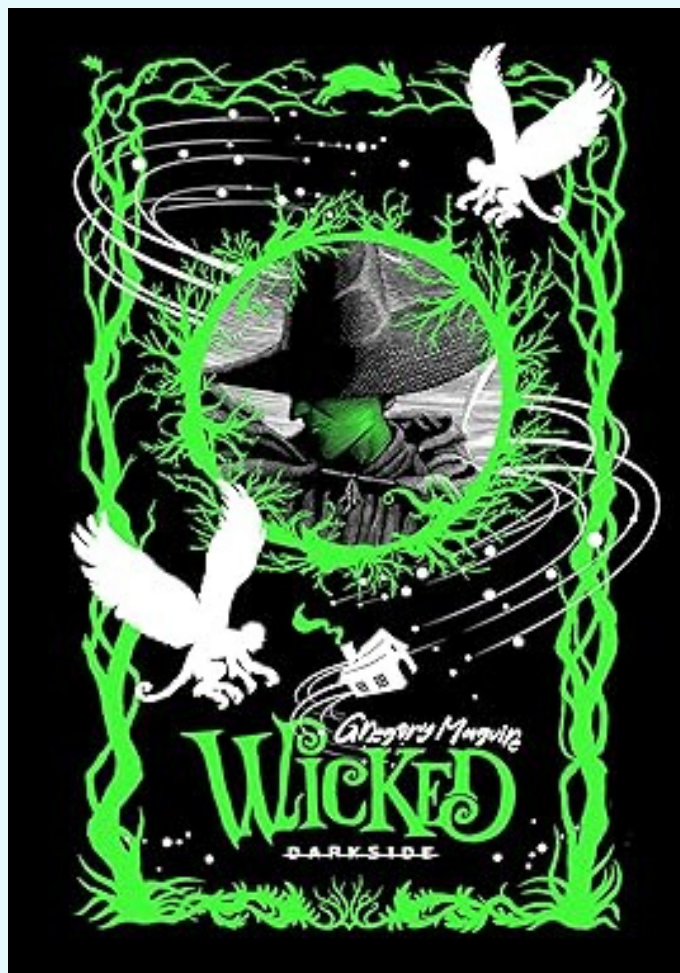

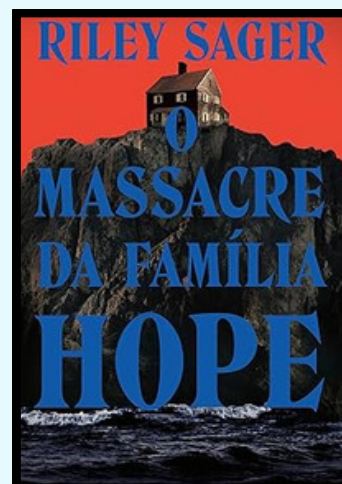

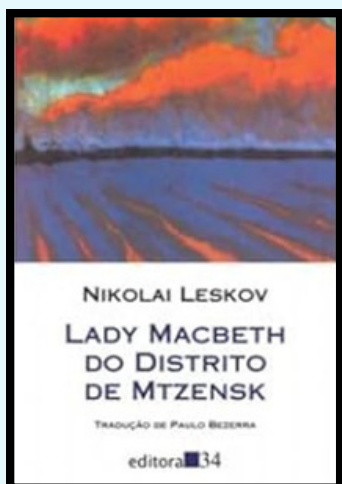

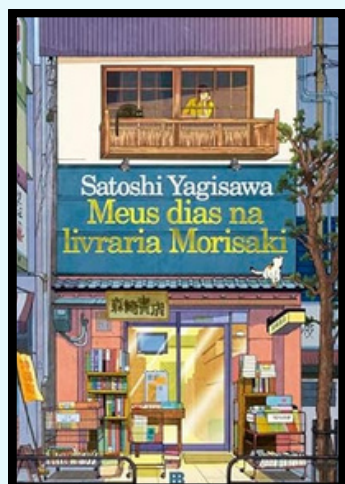

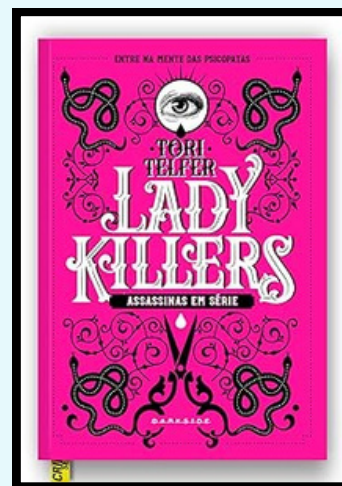

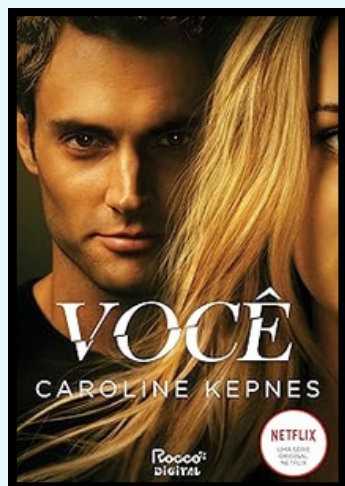

Narra a história de Millie, uma mulher em busca de recomeço que aceita trabalhar como doméstica para a rica, porém perigosa, família Winchester. A trama de suspense revela que os segredos dos patrões são mais obscuros que os da própria protagonista

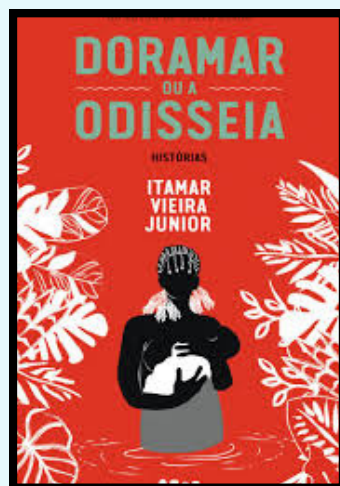

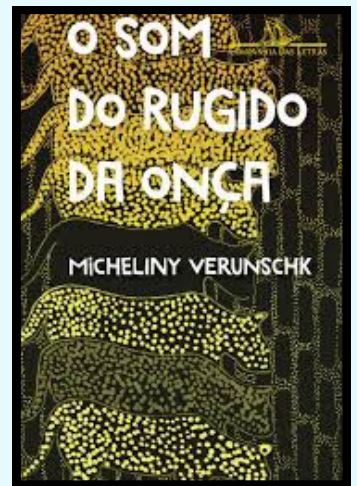

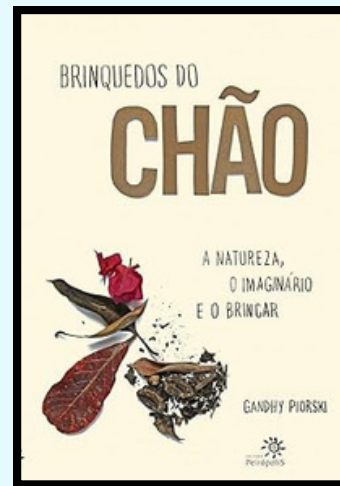

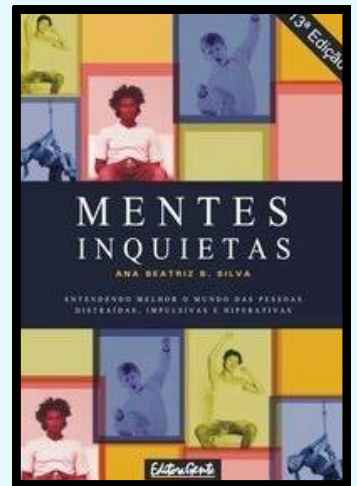

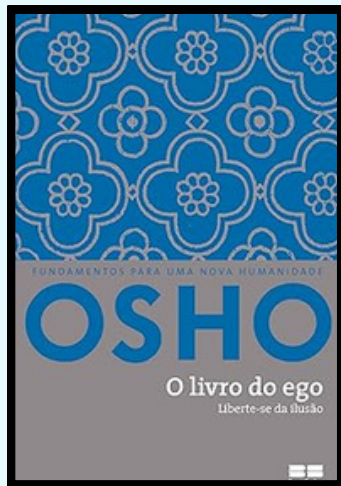

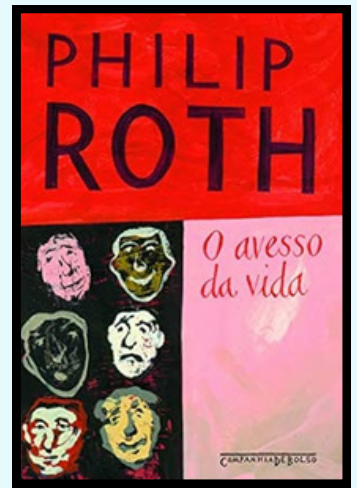

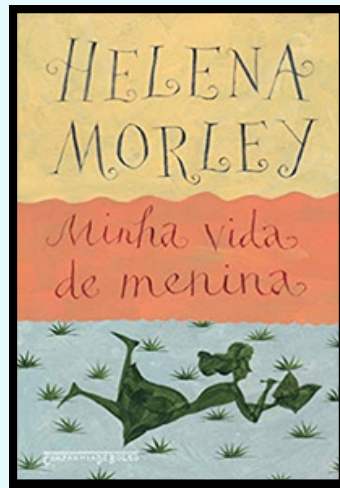

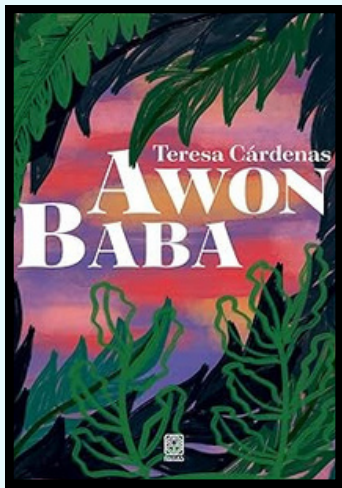

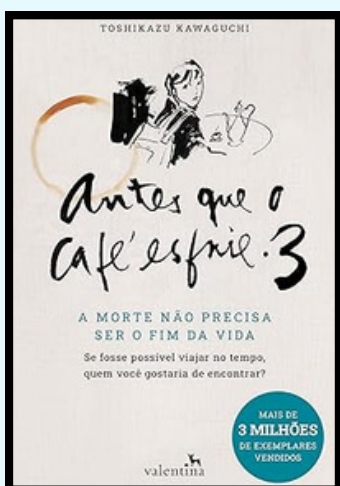

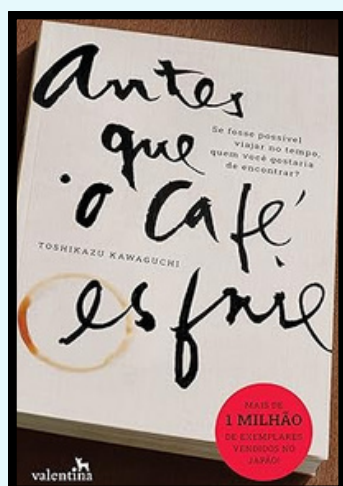

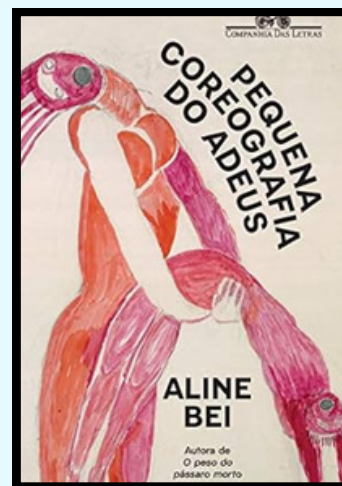

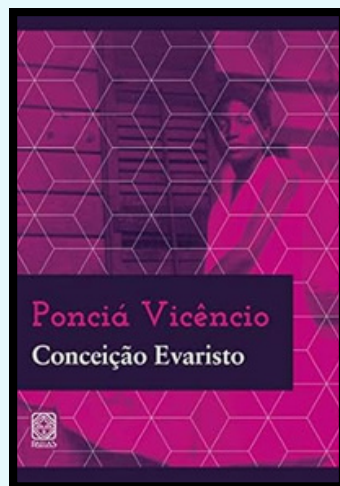

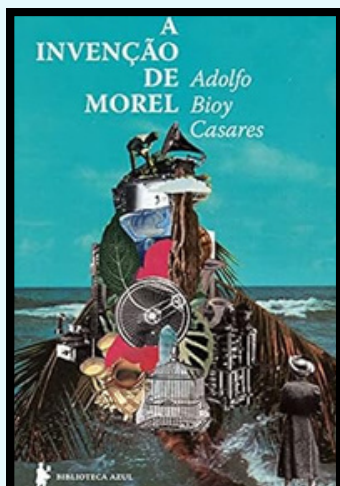

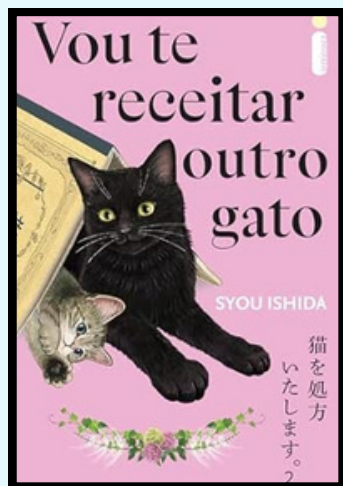

O livro narra a vida de Elphaba, uma jovem inteligente e incompreendida de pele verde, desde a infância até se tornar a notória Bruxa Má do Oeste, explorando temas como preconceito, fanatismo religioso e a manipulação da verdade pelo Mágico de Oz

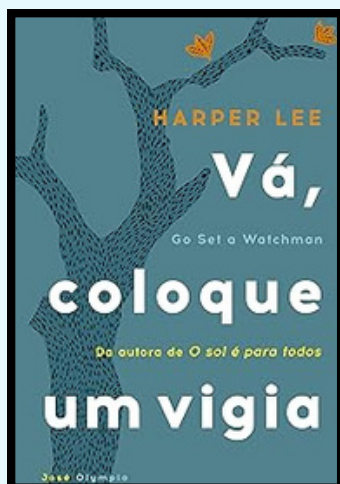

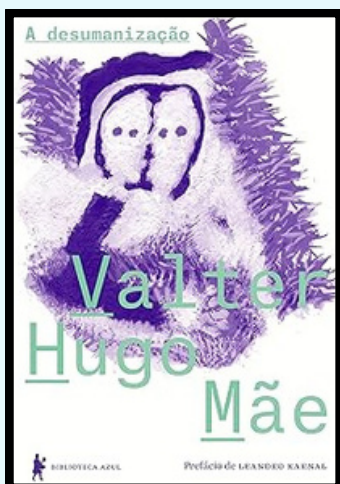

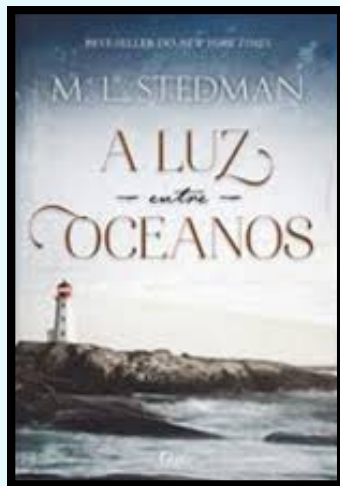

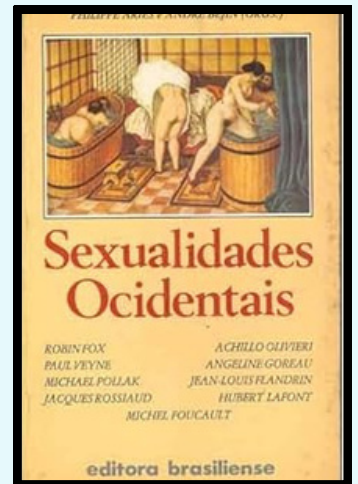

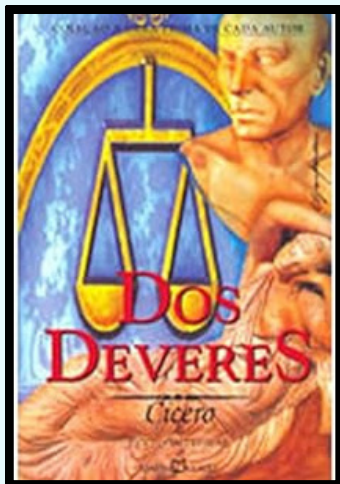

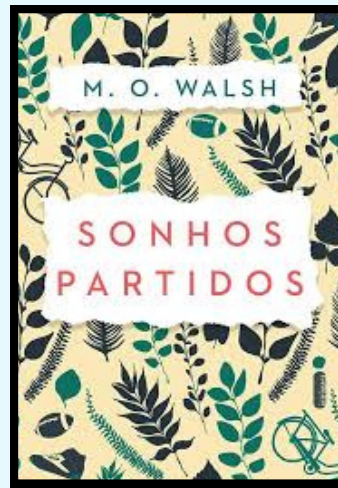

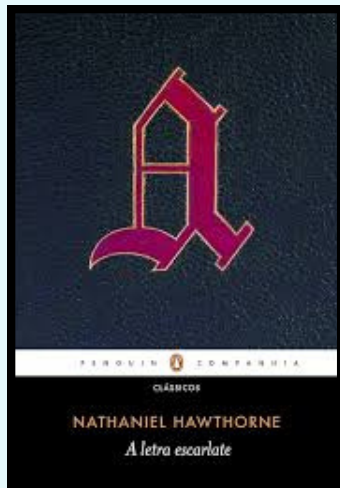

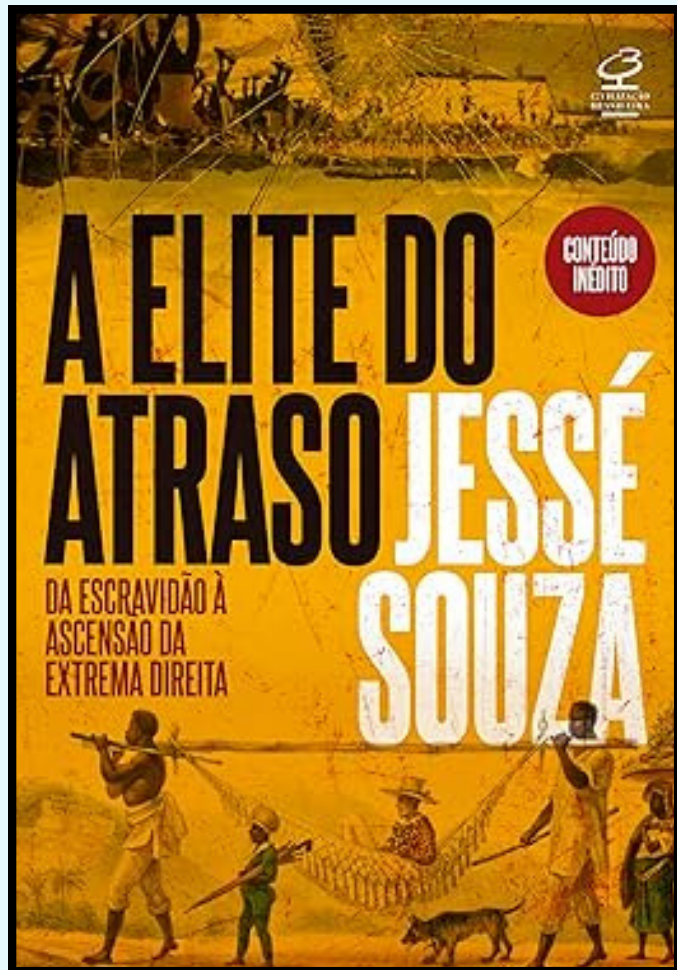

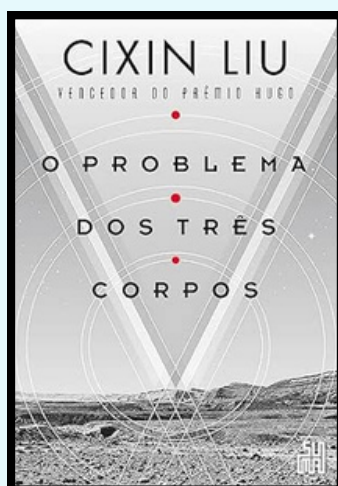

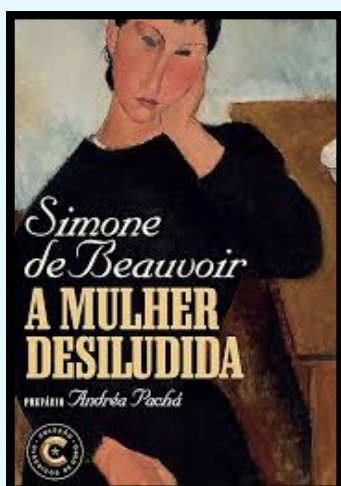

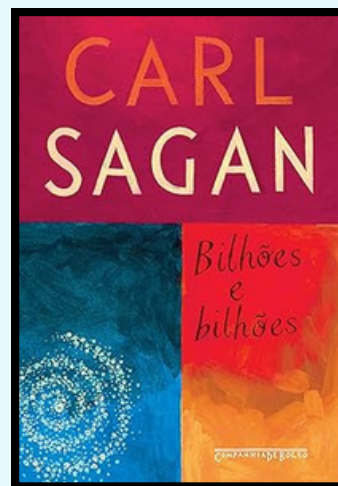

"Vou te Receitar um Gato", de Syou Ishida, é uma "ficção de cura" japonesa sobre a Clínica Kokoro, um local misterioso onde o excêntrico Dr. Nike e a enfermeira Chitose receitam felinos a pacientes que buscam cura emocional. O convívio com os gatos ajuda personagens solitários a superar luto, estresse e mudanças de vida.

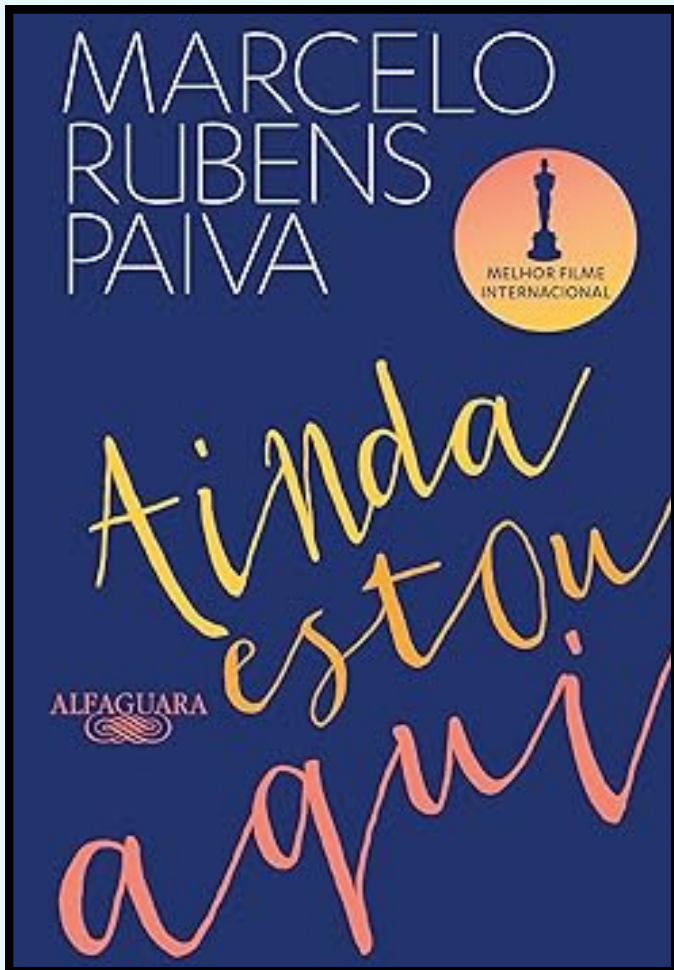

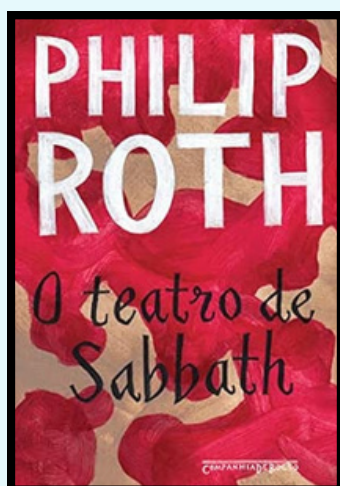

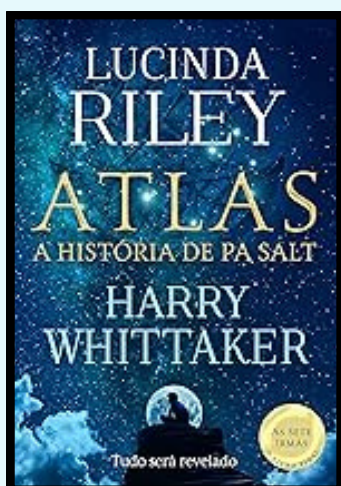

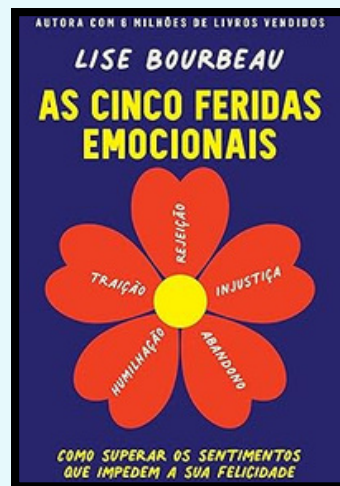

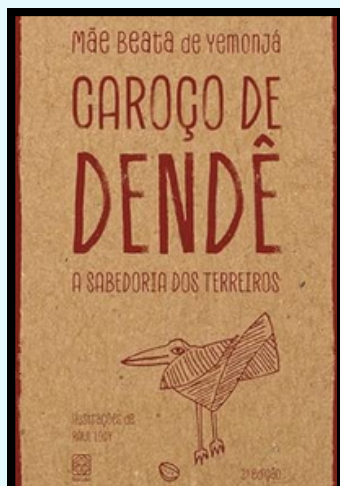

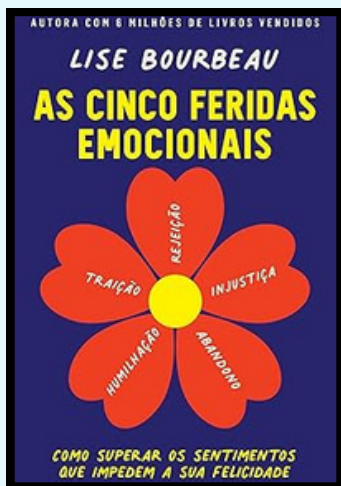

Propõe uma releitura crítica da história e da sociologia brasileira. A obra argumenta que a corrupção é um falso problema utilizado pela elite para manipular a opinião pública e manter privilégios, enquanto a verdadeira raiz dos males brasileiros é a "escravidão herdada" e suas consequências sociais.

"Ainda Estou Aqui", de Marcelo Rubens Paiva, é um livro de memórias que narra a luta de Eunice Paiva para criar cinco filhos e encontrar seu marido, o ex-deputado Rubens Paiva, preso e desaparecido pela Ditadura Militar em 1971. A obra alterna entre o trauma político e a luta de Eunice contra o Alzheimer na velhice
