RECONSTRUÇÃO COM
TRABALHO E TRANSPARÊNCIA

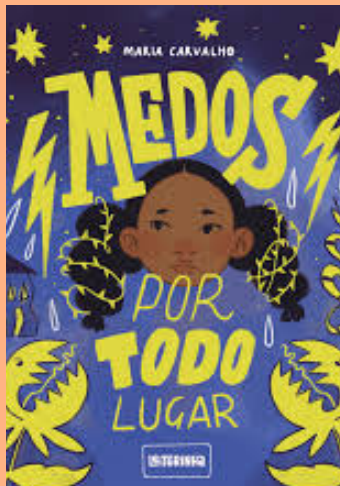

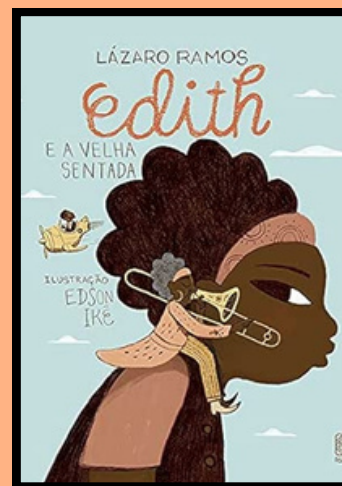

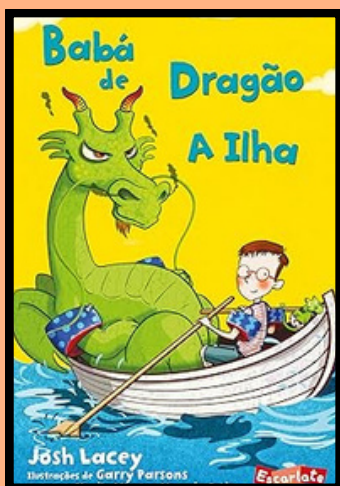

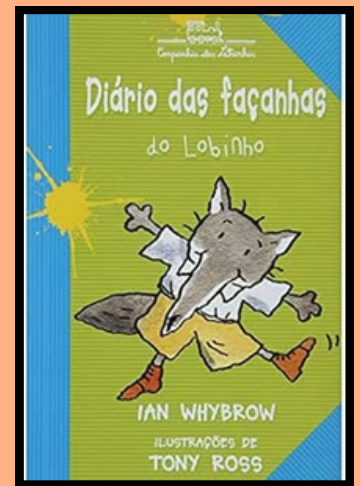

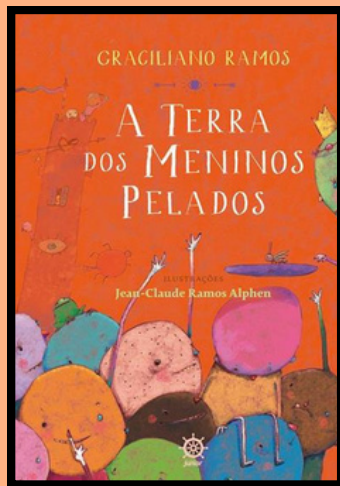

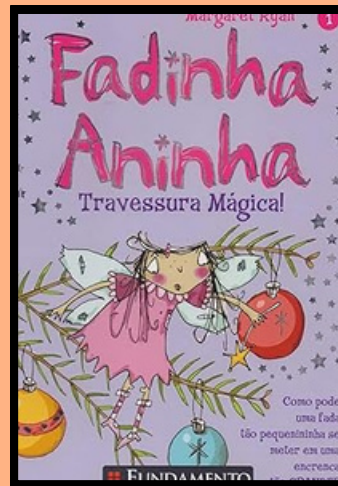

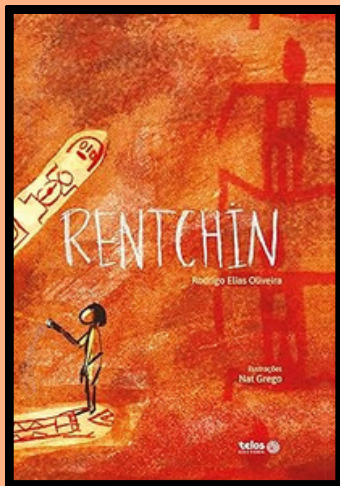

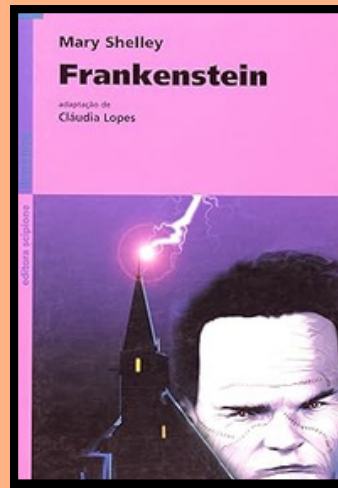

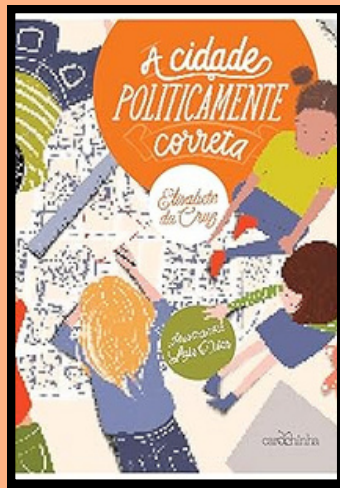

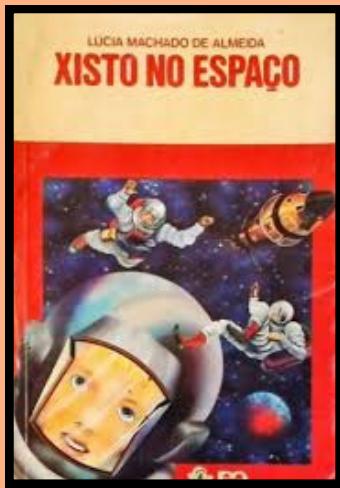

Um dia, ela acordou com a cabeleira malucona. Iria para a escola mesmo assim? Sim, ela iria para a escola principalmente assim. Por que não? Na escola, a atitude da menina causou grande repercussão e o resultado foi inusitado. Acompanhando com leveza esse dia nada normal da menina e de seu cabelo, **O cabelo da menina** destaca a importância da autoestima e de reconhecer o que há de belo em cada pessoa.

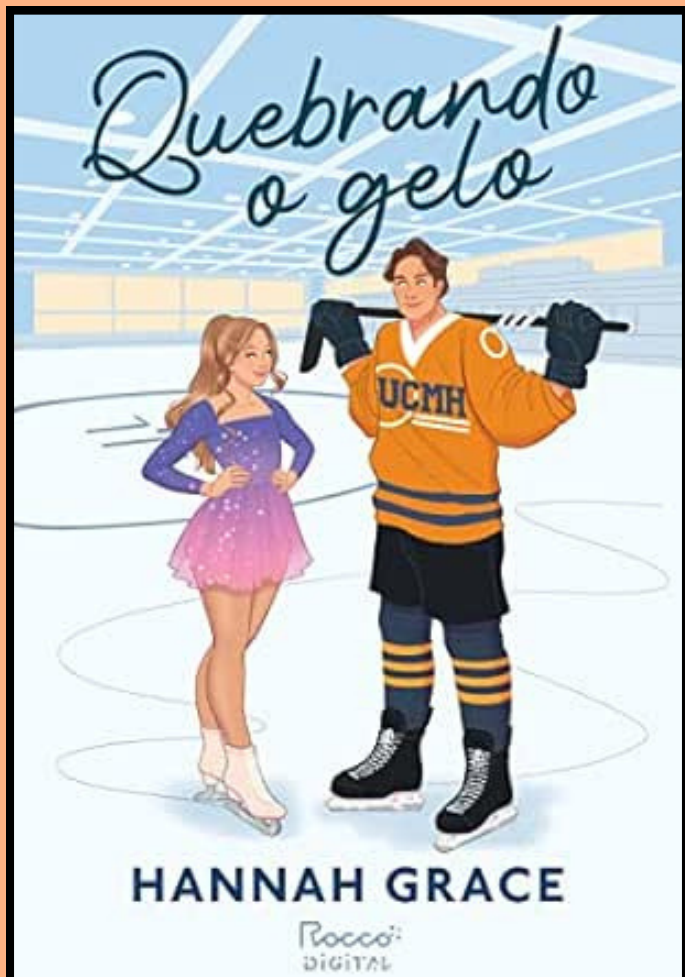

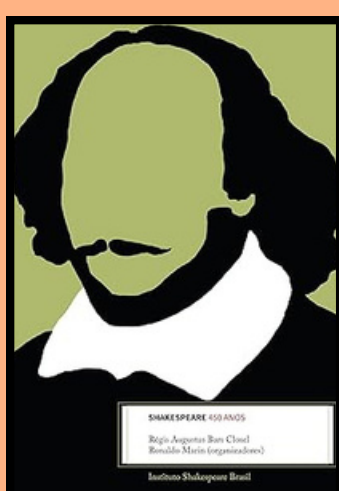

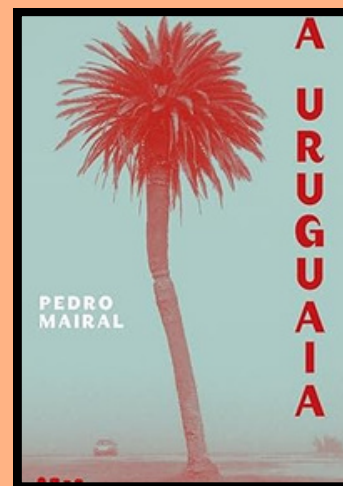

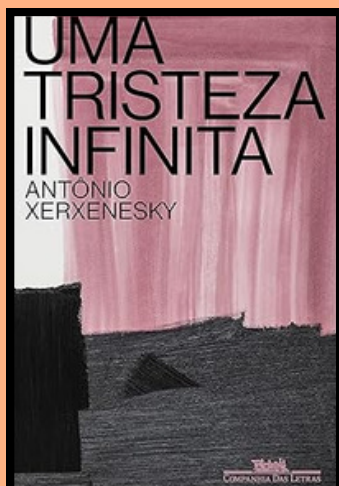

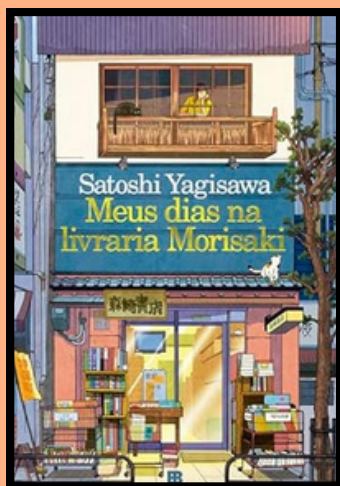

Acompanha Olívia, uma adolescente que entra em pânico ao perceber que não quer o curso de arquitetura que sua família escolheu para ela. Em meio a dilemas sobre o futuro, o fim de sua banda favorita e a reaproximação repentina do pai, ela precisa lidar com a transição para a vida adulta. [1, 2]

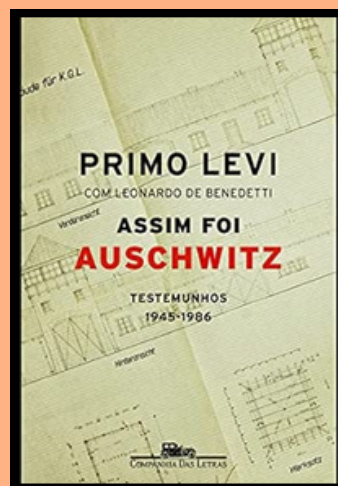

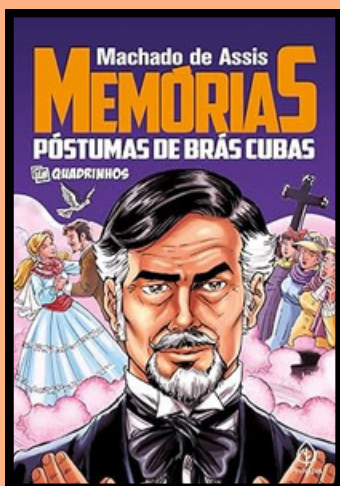

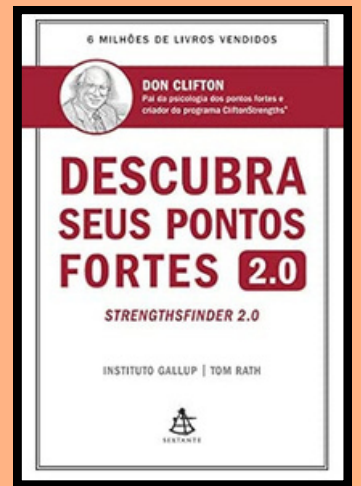

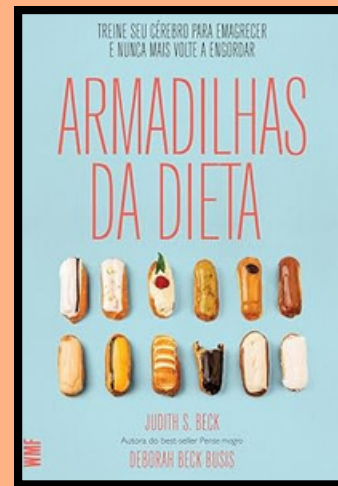

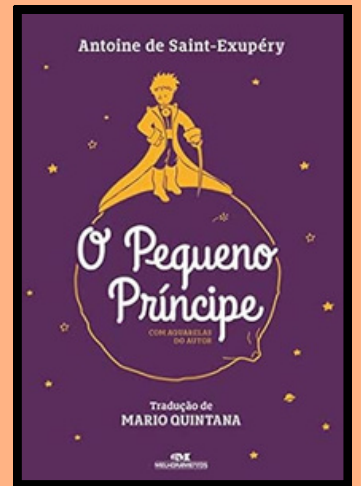

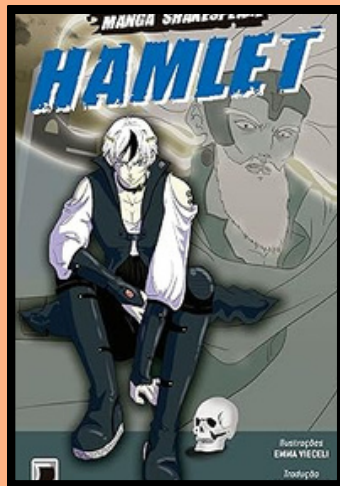

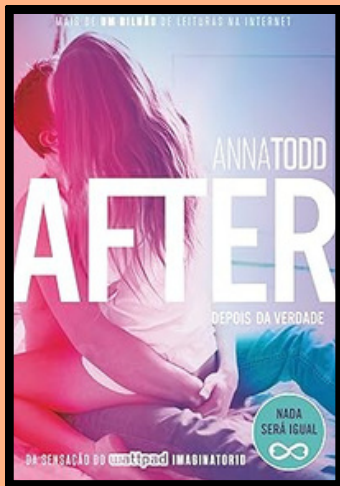

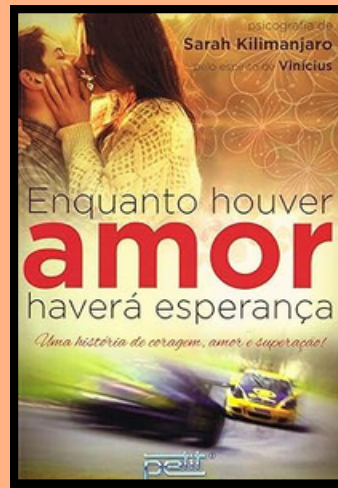

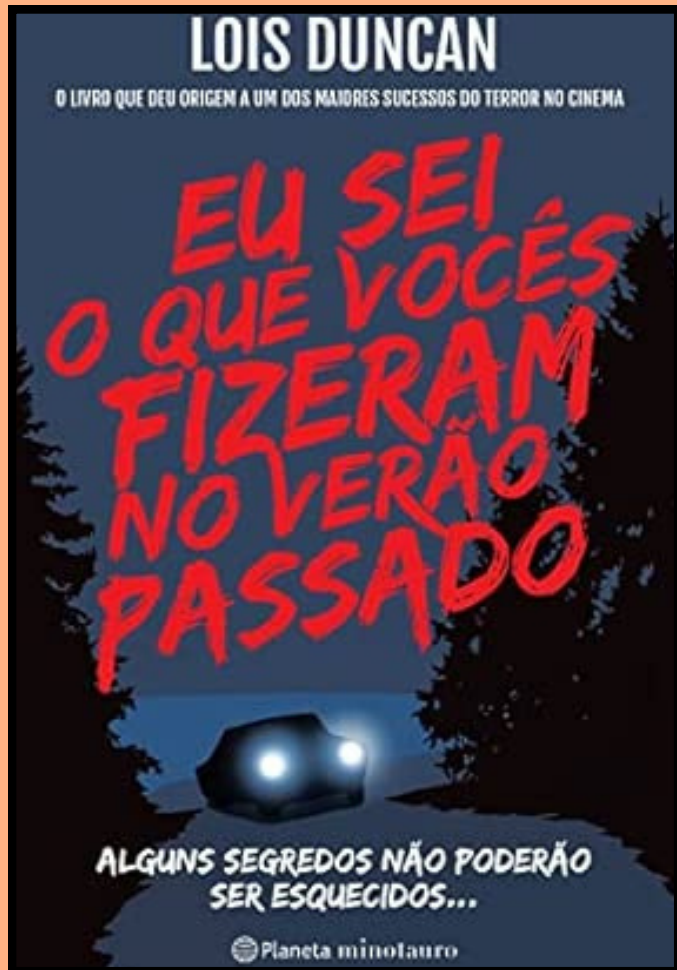

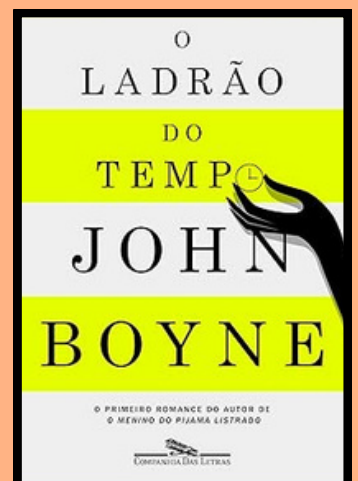

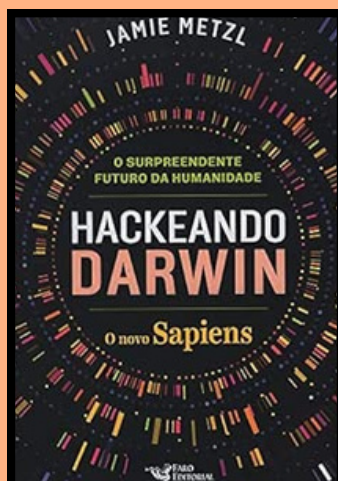

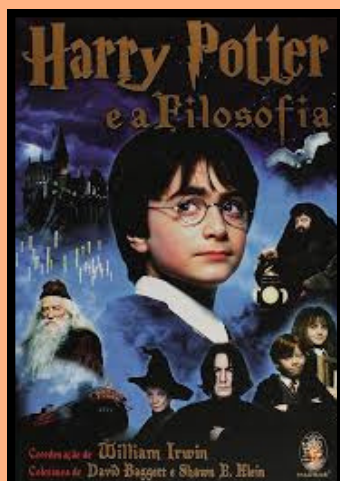

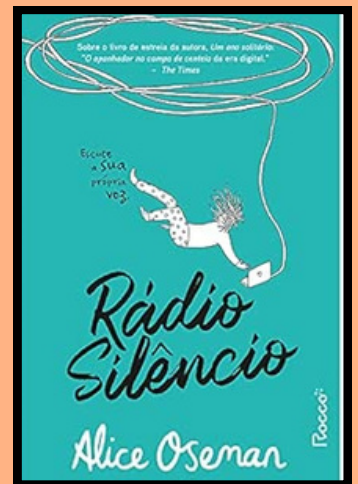

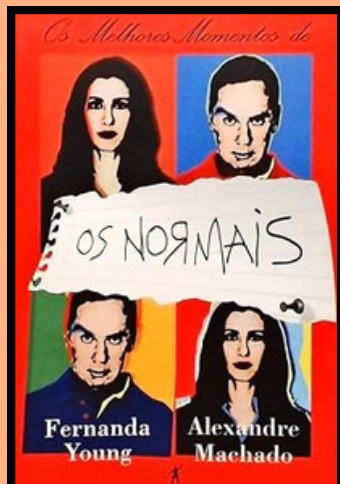

Acompanha Anastasia Allen, uma patinadora artística ultracompetitiva focada nas Olimpíadas. Seus planos mudam quando um ato de vandalismo obriga o time de hóquei da faculdade a dividir seu rink de treinos. Ela entra em conflito com o capitão, Nate Hawkins, mas logo o ódio vira um romance inesperado. [+18]

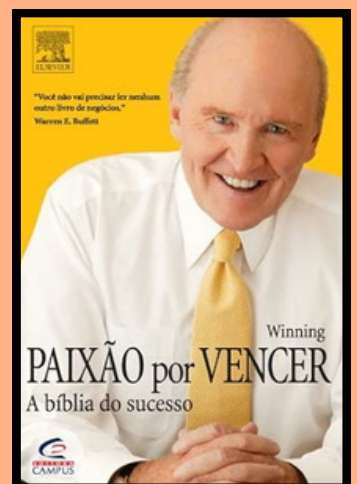

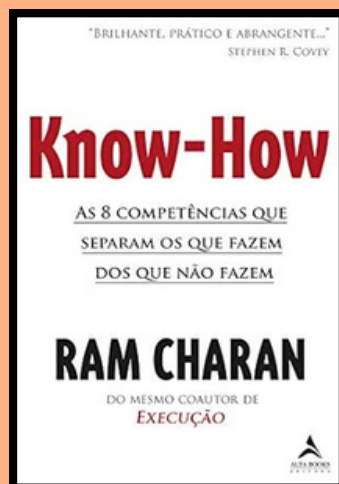

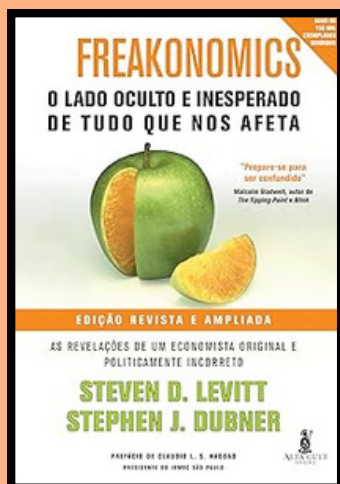

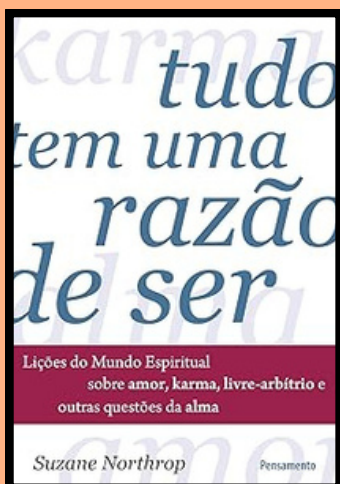

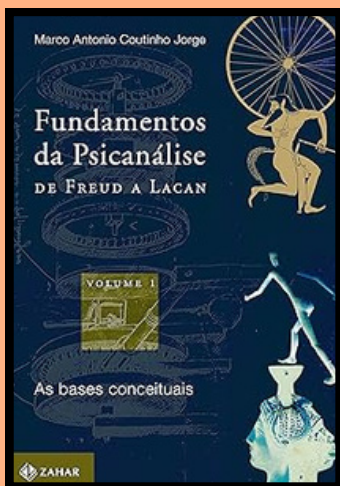

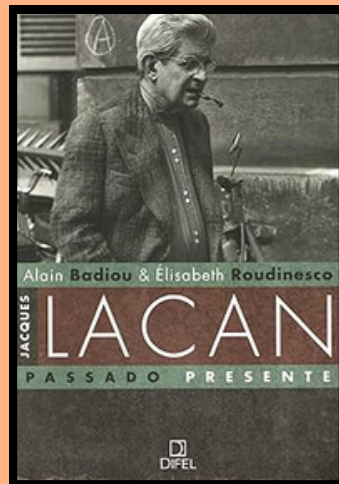

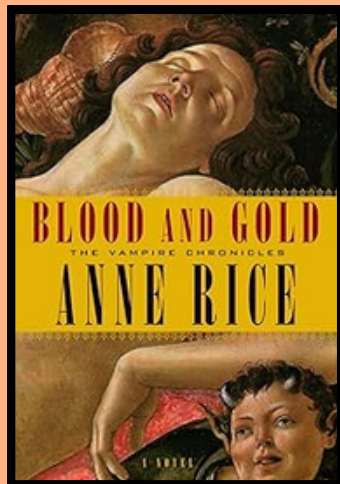

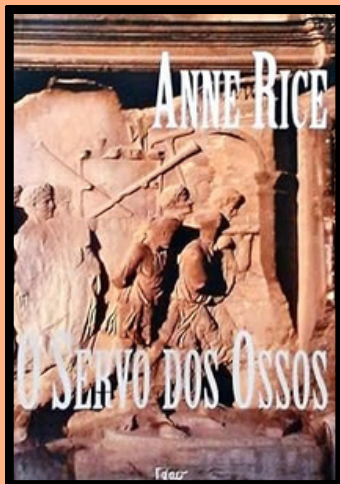

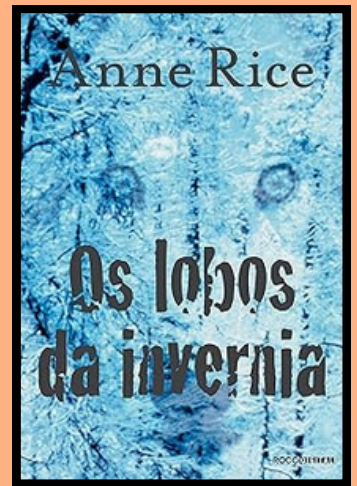

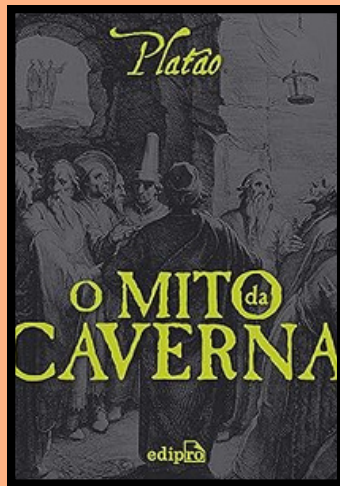

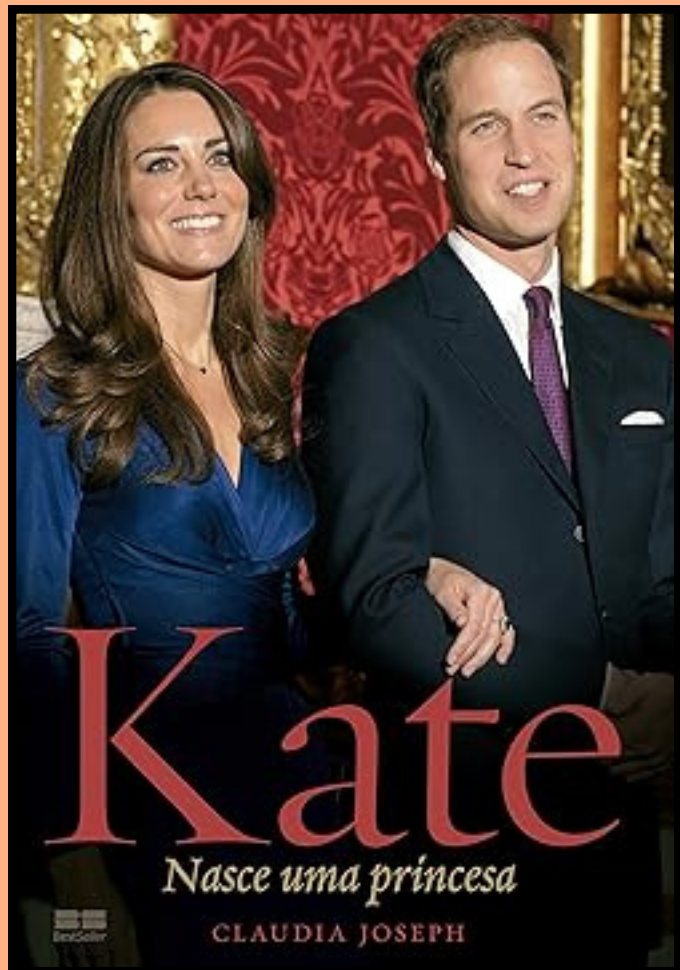

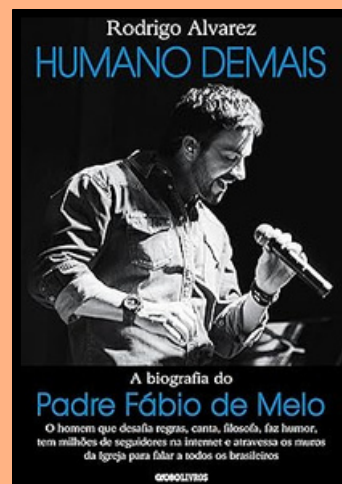

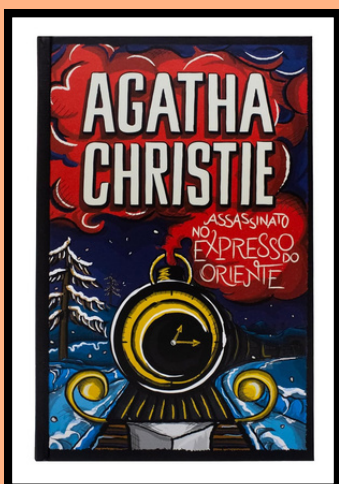

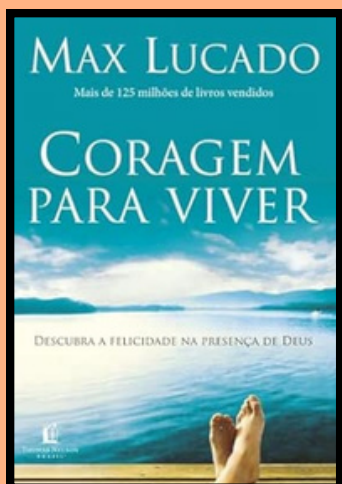

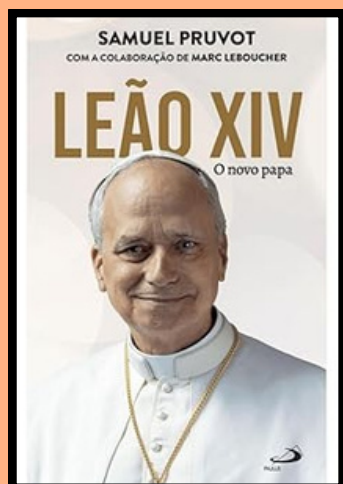

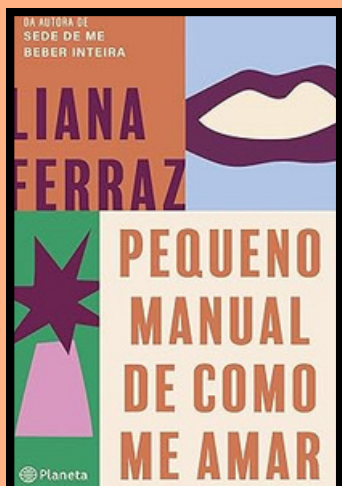

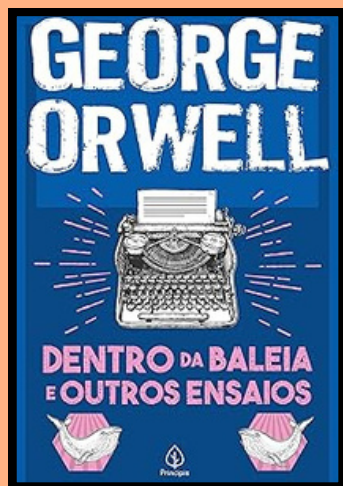

Acompanha quatro adolescentes que atropelam e matam uma criança em uma estrada escura. Sem prestar socorro e movidos pelo medo, eles escondem o corpo e fazem um pacto de silêncio. Um ano depois, o segredo é revelado através de um bilhete anônimo com a frase: “Eu sei o que vocês fizeram no verão passado”, dando início a uma perseguição letal.

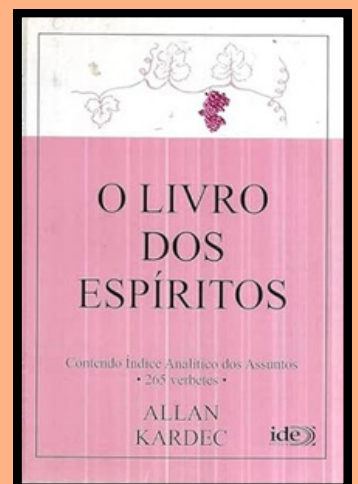

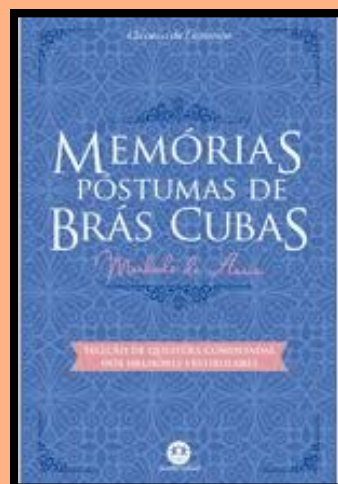

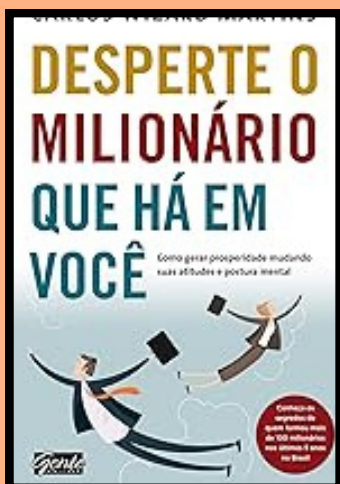

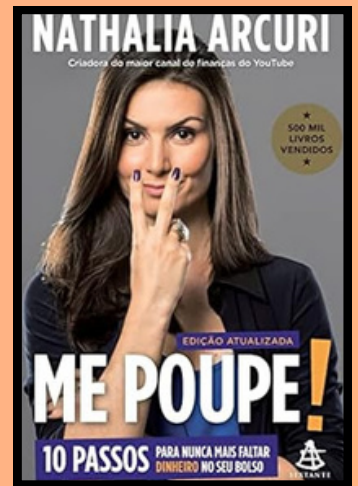

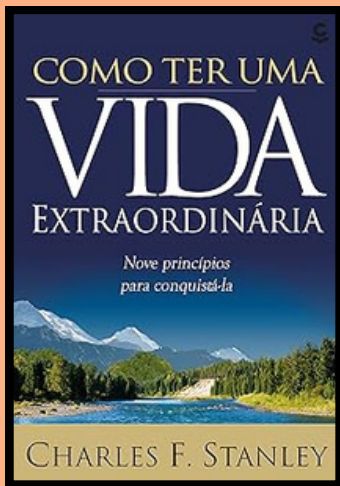

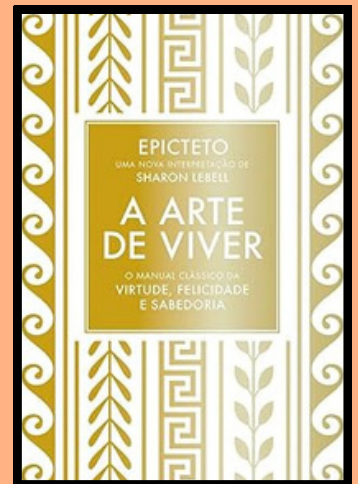

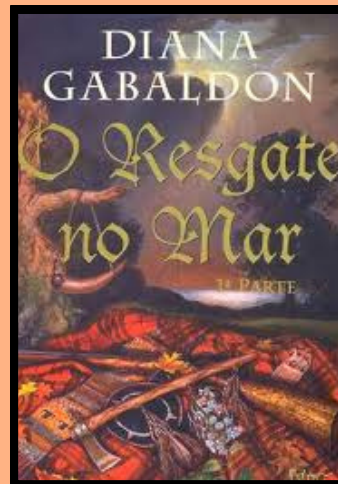

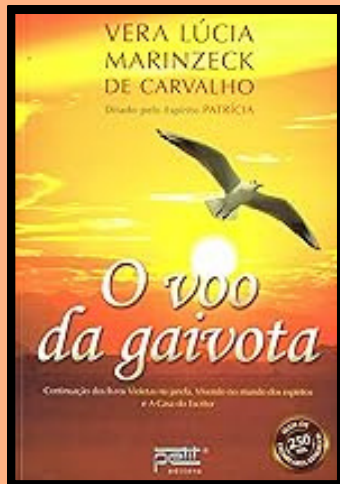

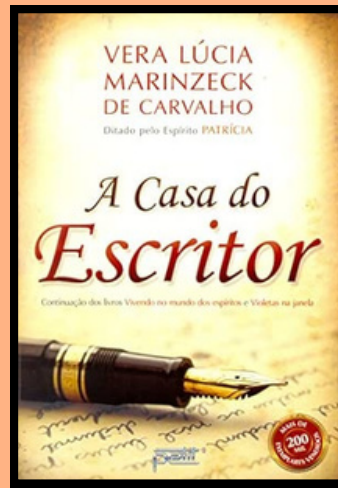

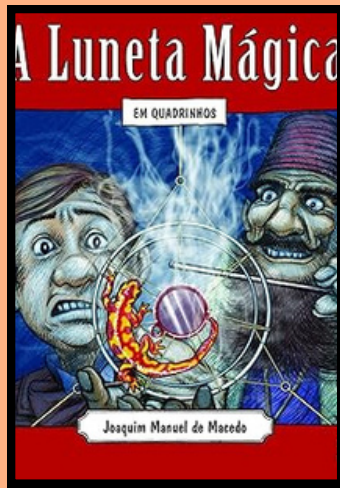

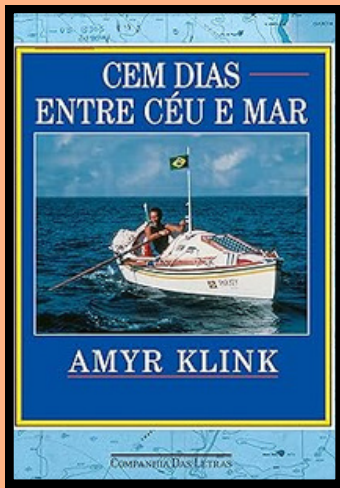

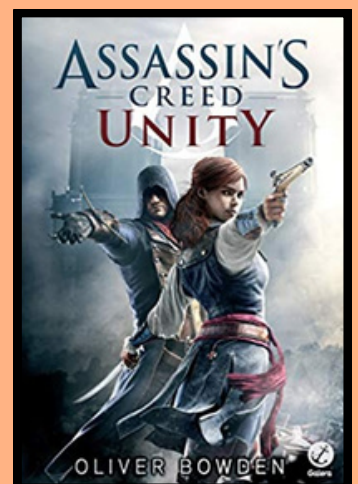

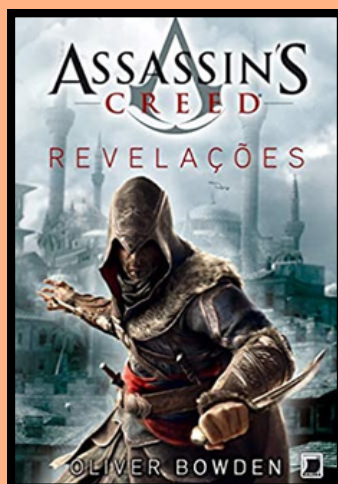

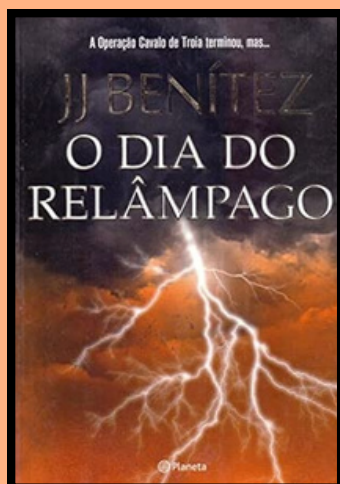

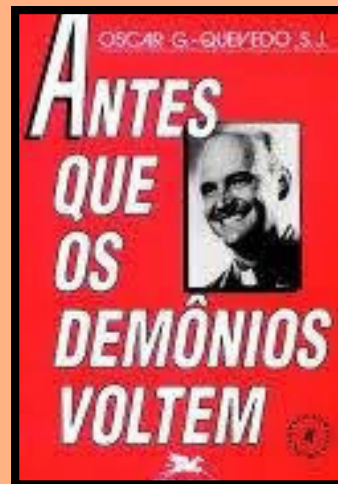

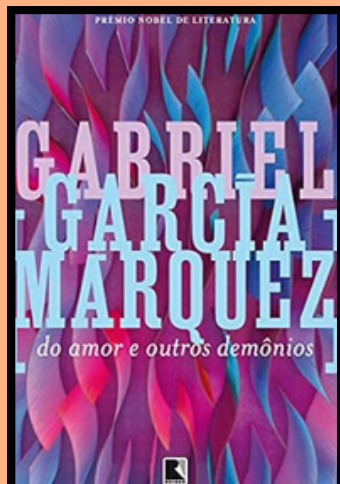

É uma biografia que narra a trajetória de Catherine Middleton. A obra revela suas raízes e como uma jovem plebeia, filha de ex-comissária de bordo e empresário, conquistou o coração do Príncipe William e se tornou uma figura central da monarquia britânica.

A obra acompanha o charmoso policial Tucker Matthews, que vai para a cidade de Lovett (Texas) em busca de sossego junto com Pinky, uma gatinha deixada por sua ex-namorada. A trama muda de rumo quando Tucker conhece sua vizinha, Lily Brooks (conhecida localmente como "Maluca Lily")
